The Preconference Workshop for the 2018 Literacies for All Summer Institute continues the tradition of focusing on educational activism. This summer, diverse local and national activists will join us in addressing our theme “Organizing for Racial & Social Justice in Schools and Communities.” Jitu Brown, National Director of Journey 4 Justice Alliance and the “We Choose Campaign” will be the inspirational keynote speaker. Meet and learn in workshops with leaders of Journey for Justice, Advancement Project, United We Dream, Racial Justice Now, Leaders of a Beautiful Struggle and others. Topics of interactional sessions will include: union activism, safe schools for “dreamers,” restorative justice, school-to-prison pipeline and much more.
