

# Literacies for All Summer Institute

July 12-14, 2018 • Baltimore, Maryland

*Sustaining Joy in Our Learning Communities during Challenging Times*

This year's Summer Institute invites us to give voice to the languages, literacies, and cultures of the diverse students in our classrooms and among ourselves as professionals, and to focus on the joy we find in this important work. As an international organization with a lengthy history of progressive education, democratic schools, and critical literacy, our creative work involves constantly affirming the potential of whole language learning communities to examine the world we live in through multiple languages and literacies.
