#BuildYourStack is a National Council of Teachers of English initiative focused exclusively on helping teachers build their book knowledge and their classroom libraries.

EVENT HIGHLIGHTS:

- 20-minute sessions for elementary, middle, and secondary educators featuring area teachers and students talking about their favorite texts and how to use them in the classroom
- A variety of titles available from Selection Book Fairs to help build your classroom library
- Opportunities to learn about and become a member of the National Council of Teachers of English

This event is presented as part of the 100th anniversary of Children's Book Week celebration in partnership with NCTE.

Children's Book Week, established in 1919, is an annual celebration of books for young people and the joy of reading.

NCTE is the nation's most comprehensive literacy organization, supporting teachers across the preK-college spectrum.

Through the expertise of its members, NCTE has served at the forefront of every major improvement in the teaching and learning of English and the language arts since 1911.
